

TECHNICAL DATA INFORMATION

DESCRIPTION

Leather Soap is an extremely effective cleaner for Aircraft, Automotive, Marine and Domestic finished leathers and vinyl. It gently removes dirt, grime, body oils and lotions, leaving you with a surface ready for conditioning and protecting with Leather Care.

Leather Soap is suitable for use on all types of finished leather, faux/imitation leather and vinyl. It is not suitable for use on rough leather or suede.

FEATURES

- Water based, free from alcohol and ammonia
- Biodegradable, safe for users and the environment
 - Non flammable and non corrosive

APPLICATION

Spray onto surface to be cleaned and gently scrub the area with a soft bristle brush. Take a damp microfibre cloth and wipe off the dirt & soap, dry the area with a dry cloth once complete.

MOQ

1 x 32oz Bottle (946ml)

AVAILABILITY

7 - 14 working days

CERTIFICATION

All orders will be accompanied by a C of C for traceability purposes only.

QUALIFICATIONS

AIMS 09-00-002

HEALTH & SAFETY

Avoid contact with eyes and skin. If contact is made wash areas with clean water for at least fifteen minutes. Seek medical advice if irritation or adverse symptoms develop. Leather Soap is not environmentally restricted.

IMPORTANT INFORMATION

Application of the Leather Soap does not in anyway eradicate any FR treatment that has already been applied.

Leather cleaners may remove non original leather or vinyl dye, if your leather or vinyl has been repaired or re-dyed only use a damp towel to clean those areas. Any cleaner will remove the dye.
